# MUMBAI ACSG & ISMA EVENT AGENDA

11 OCTOBER 2023 (WEDNESDAY)

The [Asia Crisis & Security Group \(ACSG\)](#) and the [International Security Management Association \(ISMA\)](#) cordially invite you to a co-hosted ACSG & ISMA Event on 11 October 2023 in Mumbai, India.

The ACSG is a network of more than 400 corporate security, crisis, and continuity management professionals with primary responsibilities in the APAC region. The ACSG facilitates cooperation, information sharing and best practices among professionals across the region for the benefit of the members and their organizations.

ISMA is the premier association for the world's most senior security executives; its members are Chief Security Officers for major multinational companies in all industries.

ISMA and ACSG have been partnered since 2006, and both organizations are delighted to be hosting this joint event in India.

To sign up for the event please follow this QR code or visit
